

K9 Senior Wellness Package

Douglas Boulevard Veterinary Clinic offers a comprehensive K9 Senior Wellness Package for dogs 7 years and older to help ensure that your pet stays healthy and receives the best care. As your pet ages, our veterinarians recommend running lab tests such as a complete blood count (CBC), chemistry panel and urinalysis. This will help our veterinarians detect any illnesses or complications early. Early detection is the key to help ensure your pet receives the long healthy life it deserves.

This package includes the following:

- Annual Physical Exam
- Annual Intestinal Parasite Exam
- Annual Blood Parasite Exam
- Senior Screen Blood & Urine Panel*

** Evaluates the following levels: Albumin, Globulin, Alkaline Phosphatase, ALT, GGT, Bilirubin, BUN, Creatinine, Phosphorous, Glucose, Total Protein, Electrolytes, Calcium, T4, Comprehensive CBC & Urinalysis*
